

Llandough Primary School: Professional Learning Plan

January 2019 – March 2019

Key questions for consideration:

1. How will you ensure that all staff access the key messages and have access to individual/school priority PL activity?
2. How will you enable the PL Lead to disseminate learning from the regional programme? What form will this learning take e.g. e-learning?
3. How will your PL Lead engage with the collaboration or cluster work?
4. What use will you make of wider purposeful collaborative activity? E.g. LNS, peer review
5. What engagement will learners, governors and parents have in this process?
6. How will you review the progress your school is making towards the success criteria within this plan?
